

Section 1: Identification

Chemical Product Name/Identifier: PAN Based Carbon Fabric / Polypropylene Styles

Finish: Greige, Loom State, Unfinished

CAS Number: 7440-44-0, 9003-07-0

Synonyms: Fibrous carbon, fibrous polypropylene

Recommended Use and Restrictions on Use: Woven textile product used for reinforcement in various resin systems

Company Information: BGF Industries
3802 Robert Porcher Way
Greensboro, NC 27410

Telephone: 800-476-4845, 336-545-0011

Email: info@bgf.com

Website: <http://www.bgf.com>

Section 2: Hazards Identification

OSHA HCS Status: This product is a hazardous chemical, as defined by OSHA at 29 CFR 1910.1200. Hazards identified are based on hazards of the ingredients. The finished product has not been tested.

Relevant Route of Exposure/Target Organs: Dermal, Inhalation

OSHA/GHS Signal Word and Hazard Statements:

WARNING: Causes mild skin irritation. May cause respiratory irritation.

OSHA/GHS Classification and Pictograms:

Skin irritation (Hazard Category 3)

Specific target organ toxicity, single exposure: Respiratory tract irritation (Hazard Category 3)

OSHA/GHS Precautionary Statements:

Prevention

Avoid breathing fibers or dust. Use only outdoors or in a well-ventilated area. Keep containers tightly closed.

Response

If inhaled: Remove victim to fresh air and keep comfortable for breathing. Call a poison center/doctor/physician if you feel unwell.

If skin irritation occurs: Get medical advice/attention.

Storage

Store in a well-ventilated place. Store locked up. Keep container tightly closed.

Disposal

Dispose of contents/container in accordance with local/regional/national/international regulations.

GHS Hazard and Precautionary Statement Codes: See Section 16.

Section 3: Composition/Information on Ingredients

Chemical Product Name: Carbon fabric

Synonyms: Fibrous carbon

Component	CAS #	%
Carbon Fiber (derived from polyacrylonitrile)	7440-44-0	≤90
Fibrous carbon dust	Not Assigned	Not Known ^A
Trade Secret Sizing Chemistry ^B	N/A	≤5
Polypropylene Fiber	9003-07-0	≤90
Fibrous Polypropylene Dust		Not Known ^A

A) Amount will be dependent upon method of handling

B) Trade secret per fiber producer.

Note- The exact concentrations of the above listed ingredients are being withheld as a trade secret.

Comment on component parts: No dangerous components

Section 4: First-Aid Measures

Skin Contact: Flush with ample cool water followed by washing with mild soap to remove accumulated fibers.

Eye Contact: Flush with flowing water for 15 minutes – seek medical attention.

Inhalation: Move to fresh air. Seek medical attention if breathing becomes difficult.

Ingestion: Not likely to occur through normal use. Should ingestion occur, seek medical attention.

Most Important Symptoms/Effects: None known

Indication of Immediate Medical Attention and Special Treatment Needed: Not applicable

Section 5: Fire-Fighting Measures

Extinguishing Media: Water spray or fog, carbon dioxide or dry chemical.

Extinguishing Media to avoid: Full water jet

Hazardous Combustion Products: Carbon oxides (COx) and Nitrogen oxides (NOx).

SAFETY DATA SHEET

BGF-146

Date prepared: 5/31/2015

Protective Equipment: Firefighters should be equipped with self-contained breathing apparatus and turn out gear.

Section 6: Accidental Release Measures

Personal Precautions: A release of this product is not expected to pose risks to workers under normal circumstances. If the material is involved in a fire, or if dusts are produced, no action shall be taken involving any personal risk or without suitable training. Keep unnecessary and unprotected personnel from entering. Put on appropriate personal protective equipment.

Protective Equipment: Wear protective gloves/eye protection/skin protection.

Methods/Materials for Containment and Cleaning Up: Dust or loose fibers can be vacuumed or swept with the aid of a dust suppressant. Dispose of in accordance with all government regulations. Do not discharge into waterways or sewer systems without proper authority.

Section 7: Handling and Storage

Precautions: This product should be handled under conditions of good industrial hygiene and in conformity with any local regulations to avoid unnecessary exposure. Use in a well-ventilated area. Do not breathe dust. Avoid contact with skin.

Storage: Store in a well-ventilated, dry location.

Section 8: Exposure Controls/Personal Protection

Exposure Limits:

Component	OSHA/PEL	ACGIH/TLV
Fibrous carbon dust	5 mg/m ³ (respirable)	5 mg/m ³
Fibrous Polypropylene dust *	15 mg/m ³ (Total Dust) 5 mg/m ³ (Respirable Dust)	10 mg/m ³ (Total Dust)

* Dust may be produced during handling

*PELs and TLVs Based on nuisance dusts

Engineering Measures: Engineering controls are not usually necessary if good hygiene practices are followed.

Personal Protection Measures/Equipment:

Skin Protection – Barrier creams, gloves, and long sleeve loose fitting clothing may be required for certain workers who have sensitive skin or contact dermatitis. Work clothing should be laundered separately from other clothing before reuse.

Eye Protection – Not normally required, but as a good safety work practice, eye protection such as safety glasses/side shields or equivalent whenever use of the product releases airborne fibrous carbon and/or polypropylene.

Respiratory Protection – If airborne fibrous material exceeds the regulatory limits, or if upper respiratory irritation occurs, use a N95 particulate filtering respirator.

Other Protection – Observe good personal hygiene.

Section 9: Physical and Chemical Properties

Appearance (physical state, color, etc.): Solid, black

Odor: Odorless

Odor Threshold: None

pH: Not applicable

Melting Point/Freezing Point: >3316°C (>6000°F) for Carbon

120 - 170°C (248 – 338°F) for Polypropylene

Initial Boiling Point: Not applicable

Flash Point: Not applicable

Evaporation Rate: Not applicable

Flammability: Not applicable

Upper/Lower Flammability or Explosive Limits: Not applicable

Vapor Pressure: Not applicable

Vapor Density: Not applicable

Relative Density/Specific Gravity: 1.76 – 1.86 (carbon density), 0.8 – 0.93 (polypropylene density)

Solubility: Insoluble

Partition Coefficient: Not known

Auto-ignition Temperature: Not known

Decomposition Temperature: Not known

Volatility: Not known

Viscosity: Not applicable

Section 10: Stability and Reactivity

Reactivity: No data available

Chemical Stability: This product is stable.

Hazardous Reactions: Under normal conditions of storage and use, hazardous reactions will not occur. Carbon fibers, dust, and fibrous particles are electrically conductive and can cause shorting in electrical equipment. Explosive shorting of high voltage systems is possible.

Conditions to Avoid: When exposed to high temperatures may produce hazardous decomposition products.

Incompatible Materials: No specific incompatibility

SAFETY DATA SHEET

BGF-146

Date prepared: 5/31/2015

Hazardous Decomposition Products: No hazardous decomposition products will be formed during usage of carbon fiber. Complete or partial combustion of the surface coating on "sized" carbon fiber may generate CO_x, NO_x, and other/or other trace chemicals.

Hazardous Polymerization: Will not occur

Section 11: Toxicological Information

Relevant Route of Exposure/Target Organs: Dermal, Inhalation

Symptoms: Causes mild skin irritation. Material may cause irritation of the mouth, nose, and throat after inhalation exposure.

Delayed and Immediate Effects: Not known

Chronic Effects (Short and Long Term Exposure): Not known

Numerical Measures of Toxicity:

Carbon: Oral LD₅₀ (rat): >2000 mg/kg

Dermal LD₅₀ (rabbit): >2000 mg/kg

Carcinogenicity: No ingredient is listed as a carcinogen by the NTP, IARC, or OSHA at 29 CFR 1910 Subpart Z.

Mutagenicity: No data available

Reproductive Toxicity: No data available

Section 12: Ecological Information

No data available

Section 13: Disposal Information

Do not discharge into waterways or sewer systems without proper authority. Dispose of in accordance with all government regulations.

Section 14: Transport Information

Not regulated as a hazardous material/dangerous good for transportation in all modes of transportation (US DOT, ICAO/IATA, IMO).

Section 15: Regulatory Information

TSCA Inventory Status: Exempt per section 8(a), 710.2(f), and 704.5(a)

SARA Title III Section 302: None

SARA Title III Section 304: None

SARA Title III Section 311/312 Hazard Categories: Immediate (acute)

SARA TITLE III Section 313: This product does not contain components that are subject to the reporting requirements of Section 313 of the Emergency Planning and Community Right to Know Act of 1986 (EPCRA or SARA Title III) and 40 CFR 372.

CERCLA RQ: Not listed

California Proposition 65: None known

Massachusetts Right-To-Know: Less than reportable quantity

New Jersey Right-To-Know: Less than reportable quantity

Pennsylvania Right-To-Know: Less than reportable quantity

Canada: All components of this product are included on the Domestic Substances List (DSL) or are not required to be listed on the Canadian DSL.

Europe: All components of this product are included on the European Inventory of Existing Commercial Chemical Substances (EINECS) or are not required to be listed on the EINECS.

China: All components of this product are included on the Chinese Inventory (IECSC) or are not required to be listed on the Chinese IECSC.

Japan: All components of this product are included on the Japanese (ENCS) inventory or are not required to be listed on the Japanese inventory.

Korea: All components of this product are included on the Korean (ECL) inventory or are not required to be listed on the Korean ECL.

Philippines: All components of this product are included on the Philippine (PICCS) or are not required to be listed on the Philippine PICCS.

Australia: All components of this product are included on the Australian (AICS) or are not required to be listed on the Australian AICS.

Section 16: Other Information

Date of Preparation or Revision: 5/31/2015

This product is classified as a Skin Irritant Category 3; however OSHA does not include Category 3 substances in its hazard classification system.

GHS Label Hazard Statement Codes

Signal Word: WARNING

H316: Causes mild skin irritation

H335: May cause respiratory tract irritation.

GHS Label Precautionary Statement Codes

P261: Avoid breathing dusts or fibers.

P271: Use only outdoors or in well-ventilated area.

P304+P340: IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

P312: Call a POISON CENTER or doctor/physician if you feel unwell.

P332+P313: If skin irritation occurs: Get medical advice/attention.

P403+P233: Store in a well-ventilated place. Keep container tightly closed.

P501: Dispose of contents/container in accordance with local/regional/national/international regulations.
